(b) at any time the ANU forms the reasonable opinion that any fees have been used, spent or committed by the Project Provider other than in accordance with this Agreement,

the ANU may by written notice to the Project Provider require the Project Provider to repay that part of the fees, and the Project Provider must repay to the ANU the amount specified in the notice, within 20 Business Days of the date of the notice.

22.7 (a) If the Project Provider fails to repay the fees in accordance with a notice issued under clause 19.6 the Project Provider must pay the ANU interest on the amount specified in the notice from the date it was due, for the period it remains unpaid and the amount specified in the notice, and interest owed under this clause will be recoverable by the ANU as a debt due to the ANU by the Project Provider.

(b) The Project Provider acknowledges that interest payable under clause 19.7 represents a reasonable pre-estimate of the loss incurred by the ANU as a result of the loss of investment opportunity for, or the reasonable cost of borrowing other money in place of, the amount which should have been repaid.

22.8 This clause survives the expiration or early termination of this Agreement.

23. Default

- 23.1. If either party is in default under this Agreement on account of the failure to perform or observe any obligation or undertaking to be performed or observed on its part under this Agreement, the party not in default may, subject to clause 20.2, by notice in writing to the other party, terminate this Agreement in whole or in part without prejudice to any right of action or remedy which has accrued or which may accrue in favour of either party.
- 23.2. Where the default is capable of being remedied, a party shall not exercise its rights of termination under clause 20.1, unless it has first given to the other party notice in writing specifying the default and requiring the other party to remedy it within the time (being not less than 10 working days) specified in the notice and the default is not remedied within the time allowed.

24. Waiver

- 24.1. A waiver by either party in respect of any breach of a condition or provision of this Agreement shall not be deemed to be a waiver in respect of any continuing or subsequent breach of that provision, or breach of any other provision. The failure of either party to enforce at any time any of the provisions of this Agreement shall in no way be interpreted as a waiver of such provision.

25. Dispute Resolution

- 25.1. Subject to clause 22.4, before resorting to court proceedings the parties shall attempt to settle by negotiation any dispute in relation to this Agreement including by referring the matter to personnel who may have authority to intervene and direct some form of resolution.
- 25.2. If a dispute is not settled by the parties within 20 working days of one party first sending to the other party written notice that they are in dispute, the dispute may be the subject of court proceedings.
- 25.3. Notwithstanding the existence of a dispute, each party shall continue to perform its obligations under this Agreement.
- 25.4. A party may commence court proceedings relating to any dispute arising from this Agreement at any time where that party seeks urgent interlocutory relief.

27. Severability

- 27.1. Each provision of this Agreement and each part thereof shall, unless the context otherwise necessarily requires it, be read and construed as a separate and severable provision or part. If any provision or part thereof is void or otherwise unenforceable for any reason then that provision or part (as the case may be) shall be severed and the remainder shall be read and construed as if the severable provision or part had never existed. The parties shall negotiate in good

faith to replace the void or unenforceable provision or part with a valid or enforceable provision or part.
